14:00 **Dispute Management: a step by step guide to handling disputes that push you into ADR**

What should you do when a dispute arises? Our experts will be discussing everything you must know outside of textbook theory:

- The dos and don'ts that you cannot afford to miss.
- The finer details that can make all the difference to your case outcome.
- Case outcomes that still hold relevance and you need to know about

This workshop is a must for every in-house corporate lawyer who needs to prepare for the possibility of corporate disputes that will need to be resolved through ADR.
